Basic Information about Data Protection

Controller: Spain: Macmillan Iberia, S.A.U. Rest of the Countries: Springer Nature Limited.

Purpose: The main purposes of processing your personal data is the management of the prescription of textbooks and educational services, as well as the sending of commercial communications about publishing novelties, books, events, training, products and services in the publishing field.

Legal Basis: The legal basis that legitimates the processing of your data is the legitimate interest of Macmillan and your consent.

Recipients: Your data may be communicated to the companies of the Springer Nature Group, and other Group companies, as well as to our service providers. These can be located inside and outside the European Economic Area (EEA). Those located outside the EEA are covered by the "Privacy Shield" (when they are in the US) or protected by some other legal basis.

Rights: You can exercise the rights of access, rectification, deletion and portability of your data, and the limitation or opposition to their treatment, as well as other rights, as explained in the additional information.

Additional information: You can consult the additional and detailed information on Data Protection in our Privacy Policy: <https://www.macmillaneducation.es/politica-de-privacidad/>.
