1 Read and answer.

I'm Paul. I have a smartphone. It's great for talking to my friends, and it's got some cool games to practise maths and English.

I'm Keeva. I have a laptop and I love buying things on the internet. But I also go to the big shopping centre in town. You can go online for free in the café, too.

I'm Connor. I have a tablet and use it to check the football results or what's on at the cinema. I also like to travel with my dad. He has a satnav, but he still gets lost!
