Emma Mohamed *It's good to talk!*

This webinar will explore ways to get Primary school children to speak successfully in the English classroom. It will use examples from **Macmillan Education's Heroes** and take into account covid restrictions. We will begin by focusing on the importance of providing clear models for students to follow. Then we will consider a variety of activities, which give students the opportunity to practise, before finally showing what they can say in front of the class.

Emma is a qualified British primary school teacher and TEFL teacher. After teaching in Britain, she came to Spain in 2000. She has taught in San Sebastian and Barcelona, specialising in younger learners. Since 2004, she has taught in Frederic Mistral Primary school in Barcelona, teaching English to children aged between 5 and 14. She is the author of **Macmillan Education's Quest 5** and **6** and co-author of **Macmillan Education's Heroes 1-4.**
