

RESOURCES FOR STUDENTS

WORKSHEETS

Extra grammar practice: Further practice of the Student's Book grammar from Starter Unit (in A1+ and A2) to Unit 10 at two levels (Reinforcement and Challenge).

Grammar communication: Skills-focussed practice of the Student's Book grammar from Starter Unit (in A1+ and A2) to Unit 10, including teaching notes and extension activities.

Exam practice (Reading): Reading texts with a variety of exam-focussed questions to prepare for English exams and tests.

OTHER RESOURCES

Accessible reading: Printable versions of the main reading text from each unit of the Student's Book in an alternative, more accessible format. The texts and their accompanying visuals are set in a reader-friendly design to make the reading lesson more inclusive for all students.

Tips for exam success: Detailed information on useful tips and strategies for exam success, organised by unit and task.

Irregular verb list: The Student's Book list of useful irregular verbs at each level. Phonetic transcriptions have been provided to support pronunciation.

Wordlists: The wordlists contain key vocabulary from each unit. These include target vocabulary sets and key vocabulary from the Student's Book texts and activities. Phonetic transcriptions have been provided to support pronunciation. Example sentences, featuring the key vocabulary, show how to use the word or phrase. Available in English only or with Spanish translations.

ANSWER KEYS

Student's Book: Student's Book answers in one easy-to-manage guide. These answers are also provided in the Teacher's Book.

Workbook: Workbook answers in one easy-to-manage guide. Extra teaching support for the STEAM section of the Workbook is also provided.

Macmillan Reader: Answers for the activities included in the Macmillan Reader eBook, featured in the Literature section of the Student's Book and supplied separately.

RESOURCES FOR TEACHERS

Teacher's eBook: A downloadable digital version of the printed version of the Teacher's Book.

Virtual Classroom Exchange: A series of practical guidelines to help teachers and schools set up real-life communication situations through virtual classroom exchanges between students in their school and another school.

Exam mapping: A map of each level of the Student's Books and Workbooks against the corresponding Cambridge for Schools Key, Preliminary and First exams, as well as CAE and IELTS.

TESTS AND EXAMS

Diagnostic test: The diagnostic test in PDF and editable Word format helps you assess your students' level and their grasp of the skills and language covered the previous year. The results will enable you to identify areas that need further consolidation at the beginning of the academic year.

Placement test: The placement test in PDF and editable Word format helps you assess which level of *Great Thinkers*, from A1+ to C1, is suitable for your students' level.

Progress tests: To be used at the end of each unit 1–10 to assess your students' progress on grammar, vocabulary, use of English and skills. The tests are available at two levels (Standard and Higher) to cater for every ability.

Mid-year test (Units 1–5): To be used in the middle of the year, these tests assess your students' progress by reviewing the contents from several units. They test grammar, vocabulary, use of English and skills, and are available at two levels (Standard and Higher) to cater for every ability.

End-of-year test: To be used at the end of the school year, this test helps you assess your students' progress in grammar, vocabulary, use of English and skills at this level. The test is available at two levels (Standard and Higher) to cater for every ability.

Cambridge practice exams: Two mock *Cambridge English Qualifications for Schools* exams (in A2, B1, B2 and C1) to supplement the exam preparation in the Exam Success and Exam Trainer sections of the Student's Book and Workbook for those levels.

VIDEOS, VIDEOSCRIPTS AND AUDIOSCRIPTS

Flipped Classroom videos: Videos of the flipped classroom grammar videos featuring Dave Spencer, teenage *Grammar Gurus* or using different types of animation in units 1–10 of all levels.

Documentary videoscripts: Videoscripts of the documentary-style videos from the *Great Learners*, *Great Thinkers* sections in units 1–10 of all levels.
