My town in the past and now

This was my town 20 years ago and now! It looks very different. There were fields and there was a stream. There wasn't a motorway and there weren't any traffic jams. But there weren't any trees, and there wasn't a lake. There was also a rubbish dump with rubbish and some old cars. Now, there's a factory in its place. There are lots of trees, a lake and a motorway. Sometimes there are traffic jams, but I prefer my town today! What do you think?
